Eric,

This will be my draft. My understanding is that DOT is *voluntarily* putting on the application form a statement that there is no fee if the ID is sought for purposes of voting, but there is no *legal requirement* that DOT do this so DOT could change its practice at any time. Do you want to also include in this draft a legal requirement that DOT put such a statement on the application form as well (consistent with eligibility under Act 32 for a free ID)?

Thanks. Aaron

Jeff and Aaron,

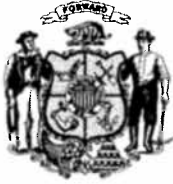

Senator Taylor needs a draft of a bill that will affect the Voter ID Law (dont know the act number). the intent of the draft is to make clear that DMV employees must ask a customer seeking a State Identification card if they are seeking it for the purpose of voting. Obviously the act gives them the free license, so the intent of the bill is force the state to ask that question, rather than the burden falling on the voter.

As soon as possible would be awesome.

Thanks,
Eric
