**2011 BILL**

Companion -  
no changes

Regen.

1 AN ACT *to renumber and amend* 146.345 (1) (a); *to amend* 146.345 (title); and  
2 *to create* 146.345 (1) (ag) and 146.345 (2m) of the statutes; **relating to:** sale  
3 and use of fetal body parts and providing a penalty.

***Analysis by the Legislative Reference Bureau***

Current law prohibits a person from knowingly, and for valuable consideration, acquiring, receiving, or otherwise transferring a human organ. Current federal law prohibits a person from knowingly acquiring, receiving, or otherwise transferring, in interstate commerce, any fetal tissue for valuable consideration. This bill prohibits a person from knowingly and for valuable consideration acquiring, receiving, or otherwise transferring a fetal body part in this state. A fetal body part is a cell, tissue, organ, or other part of an unborn child who is aborted by an induced abortion. The bill also prohibits a person from providing, receiving, or using, for experimentation a fetal body part in this state, regardless of whether the provision, receipt, or use is for valuable consideration.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.

Lance,

I believe you spoke to someone in Representative Jacque's office about his redrafting his version of the fetal body parts draft to include the word "knowingly" to 146.345 (2m) (b) before the word "provide." Would your office like to make the same change on your companion draft?

If you have any questions, please feel free to contact me.
