Under current law, no person may for compensation provide care and supervision for four or more children under seven years of age for less than 24 hours a day unless that person obtains a license to operate a child care center from the Department of Children and Families. Certain persons, however, including parochial schools, are exempt from this requirement. This bill requires a private school that provides such care and supervision for children under three years of age to obtain a license to operate a child care center.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
