2011 BILL

Regen

1 AN ACT relating to: financial assistance for local recycling programs and making  
2 an appropriation.

*Analysis by the Legislative Reference Bureau*

Current law requires a municipality to operate a recycling program to manage solid waste in compliance with certain criteria, except that a county may assume this responsibility in place of municipalities within the county. The Department of Natural Resources administers a program that provides financial assistance to local governments that operate recycling programs that satisfy the criteria specified in current law.

This bill increases the funding for local recycling programs by \$13,000,000 in each fiscal year of the current fiscal biennium.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

3 SECTION 1. Fiscal changes.

4 (1) LOCAL RECYCLING GRANTS. In the schedule under section 20.005 (3) of the  
5 statutes for the appropriation to the department of natural resources under section

**BILL**

1 20.370 (6) (bu) of the statutes, as affected by the acts of 2011, the dollar amount is  
2 increased by \$13,000,000 for the first fiscal year of the fiscal biennium in which this  
3 subsection takes effect to increase funding for the purpose for which the  
4 appropriation is made. In the schedule under section 20.005 (3) of the statutes for  
5 the appropriation to the department of natural resources under section 20.370 (6)  
6 (bu) of the statutes, as affected by the acts of 2011, the dollar amount is increased by  
7 \$13,000,000 for the second fiscal year of the fiscal biennium in which this subsection  
8 takes effect to increase funding for the purpose for which the appropriation is made.
