

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-0760/1dn
PJK:cjs:rs

September 28, 2011

I have modified proposed s. 636.30 (1) (o) to say that the authority assists a person to enroll in Medical Assistance (MA) rather than actually enrolling the person in MA, because I'm not sure that the authority is given the power under federal law to actually enroll a person in MA.
