**Subject:** Amendment to Sub 1 to SB 291

Hi, Mike –

We would like an amendment drafted to Senate Sub 1 to SB 291, and it looks like we'll need it prior to Tuesday morning. We would like to delete the language that authorizes the corporation to waive or modify a requirement of a certification for a tax credit issued by the corporation if a person who may transfer the tax credit applies to the corporation for that waiver or modification and the corporation determines that the requested waiver or modification will support economic development in Wisconsin, and any language related to such modifications. Let me know if you have questions. Thanks!

Mike –

I just learned that this bill may be up for executive action at 1 pm on Monday. If there's any way I could get a draft today, it would help avoid last-minute unpleasantness Monday morning.
