~~PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION~~

Gen

1 AN ACT ...; relating to: requirements for candidates to appear on the ballot of a
2 recognized political party at a recall election

Analysis by the Legislative Reference Bureau

Currently, any individual who seeks to have his or her name appear on the ballot at an election, including a recall election, must file a declaration of candidacy stating the candidate's name and affirming the fact that the signer is a candidate for a named office, and that the signer meets all of the necessary qualifications to hold the office and will qualify for the office if nominated and elected.

This bill provides, in addition, that if the individual seeks to appear on the ballot of a political party that has qualified for a separate ballot or a separate column or row on the ballot at a recall election, the signer must state that he or she adheres to the principles of the party under which the signer's name will appear on the ballot.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 8.21 (2) (d) of the statutes is created to read:
4 8.21 (2) (d) In the case of a candidate who seeks to appear on the ballot of a
5 recognized political party in a recall primary or election, that the signer adheres to
6 the principles of that party.
