SENATE BILL 400

- 1 reorganization of chapter 49 of the statutes, changes affecting public assistance
2 programs, granting rule-making authority, and providing a penalty.

Analysis by the Legislative Reference Bureau

This bill is explained in the NOTES provided by the Joint Legislative Council in the bill.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council's Special Committee on Public Assistance Program Integrity.

The bill reorganizes many of the provisions of ch. 49, stats., relating to public assistance and children and family services, into the following 6 subchapters:

Subchapter I – General Provisions.

Subchapter II – Children and Families; Wisconsin Works, Aid to Families, and Child Care Subsidy.

Subchapter III – Children and Families; Other Support Services.

Subchapter IV – Health; Medical Assistance.

Subchapter V – Health; Other Support and Medical Programs and Relief Block Grants.

Subchapter VI – Children and Families; Child Support.

The bill reorganizes current definitions within ch. 49, stats., to remove duplication and place definitions in the sections in which they are used or at the beginning of the chapter if they are used throughout the chapter. Terms defined in the section providing general chapter definitions, s. 49.001, stats., are retained there only if they are used throughout the chapter. If terms appear in only one or 2 sections in the chapter, the bill moves them to ensure that they are located in the subchapters or sections in which the terms are used.

The bill creates a new definition for the term “intentional program violation”, which is not currently defined in the chapter. Under current law, if a court finds or it is determined after an administrative hearing that a person has intentionally violated, on 3 separate occasions, any statute or rules governing the Wisconsin Works program, a Wisconsin Works agency may permanently deny the individual Wisconsin Works benefits. The bill clarifies that a Wisconsin Works agency determines whether a person has intentionally violated a provision of the Wisconsin Works program and includes

SENATE BILL 400

emergency assistance in the list of programs to which the provision applies; creates sanctions for first and 2nd violations; and provides an opportunity for a person to have a determination of each intentional program violation reviewed.

The bill requires the Department of Children and Families (DCF) to recover overpayments made under the emergency assistance for families with needy children program. Under the bill, the amount recovered may not exceed the amount of emergency assistance paid. The bill requires DCF to promulgate rules to implement the provision.

The bill moves several provisions of ch. 49, stats., that are offenses with criminal penalties to ch. 946, stats., of the criminal code, relating to crimes against government and its administration. The bill creates 4 new criminal offenses in ch. 946, stats.: Wisconsin Works fraud, medical assistance fraud, supplemental nutrition assistance fraud, and public assistance fraud.

This bill requires DCF to waive recovery of incorrect payments to a child care provider if the child care provider provided services in reliance on incorrect information provided to the child care provider by a county department or an agency with which DCF contracts.

The bill renumbers and amends s. 49.155 (7) (b) 4., stats., to make temporary the suspension of payments to child care providers based solely on reasonable suspicion of a program violation. Under current law, DCF is authorized to suspend payments to child care providers based on DCF's reasonable suspicion that the provider has violated any provision of s. 49.155, stats., relating to the Wisconsin Shares program. It does not specify the length of time that DCF may suspend payments on that basis. A separate section of the statutes, s. 49.155 (7m), stats., provides authority for withholding payments from a child care provider pursuant to a finding that the provider submitted false, misleading, or irregular information to DCF or failed to comply with the terms of the program. The bill preserves DCF's authority to suspend payments based on reasonable suspicion that a violation has occurred but requires DCF to either rescind the suspension of payments or initiate an action for permanent suspension of payments within 30 working days after an initial suspension on the basis of reasonable suspicion.

Under current law, s. 49.95, stats., which contains general public assistance offenses and penalties, provides that any person who makes any statement in a written application for aid under ch. 49, stats., is considered to have made an admission as to the existence, correctness, or validity of any fact stated. This admission may be used in an enforcement action under ch. 49, stats. The bill includes similar language in proposed s. 49.006 (1). Under the bill, an employee who accepts an application for aid or a benefit has the authority to administer an oath to the applicant that the information given is true and correct to the best of the applicant's knowledge. The bill also requires DCF and the Department of Health Services (DHS) to promulgate rules requiring that information provided by an applicant for any aid or benefit under ch. 49, stats., must be sworn to or otherwise affirmed as being true and correct to the best of the applicant's knowledge.

Under current law, a child care provider who provides care for children who are eligible for the Wisconsin Shares child care subsidy program must maintain attendance records. Specifically, the child care provider must maintain a written record of the daily hours of attendance of each child for whom the provider is providing care under Wisconsin Shares, including the actual arrival and departure times for each child. In addition, such a provider must retain these records for each child for at least 3 years after the child's last day of attendance, regardless of whether the child care provider is still receiving or eligible to receive payments under Wisconsin Shares. This bill requires a provider to maintain an accurate written record of the daily hours of attendance for each child for whom the provider is providing care under Wisconsin Shares. In addition, under the bill, the attendance records must be kept on the child care premises.

SENATE BILL 400

The bill requires DHS, in consultation with DCF, to provide training related to program integrity to county and Wisconsin Works agency employees who administer programs under ch. 49, stats.

The bill amends s. 49.96, stats., to add payments made to custodial parents of supplemental security income recipients to the list of payments and benefits that are exempt from taxation, execution, garnishment, attachment, and other processes.
