Senator Lassa would like a draft to request that all DMV service centers remain open all day for one month before each election and that the night of each election they remain open until 8pm. at all centers. Additionally, she would like the legislation to make the centers open on Saturdays (extended hours) for 4 weeks preceding the election. Please make this a P: draft. Thanks.

1 **AN ACT** ...; **relating to:** the hours for providing Department of Transportation
2 services relating to operator's licenses and identification cards.

Analysis by the Legislative Reference Bureau

Current law requires the Department of Transportation (DOT) to operate examining stations in each county. Also under current law, as created in 2011 Wisconsin Act 32 (the Biennial Budget Act), DOT must provide in each county, directly or by contract, at least 20 hours per week of services relating to operator's licenses and identification cards.

Under this bill, each examining station or other location where DOT provides services relating to operator's licenses and identification cards (DMV service center) must remain open all day on each weekday in the 30 days immediately preceding an election, until at least 8 p.m. on the day of the election, and on four successive Saturdays immediately preceding the election. However, this requirement applies only with respect to DMV service centers that are located in the same county where the election is being held.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Please review the attached draft carefully to ensure that it is consistent with your intent.

Some elections, particularly special elections, might be quite local in nature. For these elections, there would be no reason to require all DMV offices statewide to be open. Therefore, the last sentence of created s. 110.08 (5) (c) requires DMV offices to be open only if there is an election in the applicable county. ✓

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "1" draft.

Hi Jessica,

So would they have to be open until 8:00 pm on election day and all day through Friday after the election? Or would it also be until 8:00 pm on the Wed., Thurs., Fri. after the election? Thanks. Aaron

I would also suggest that they remain open thru the Friday after the election as people who are allowed to vote by provisional ballot have until then to take an ID back to the Clerk so their vote will count.
