3 **relating to:** appointment of a drainage board.

Analysis by the Legislative Reference Bureau

Under current law, members of a drainage board are appointed by the circuit court having jurisdiction over the board. Under this bill, members of a drainage board are appointed by the county land conservation committee of the county in which the drainage board has jurisdiction. Appointments to the drainage board by the land conservation committee are subject to the approval of the county board.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

- 4 SECTION 1. 88.01 (4m) of the statutes is created to read:
- 5 88.01 (4m) "County board" means the board of supervisors of the county in
- 6 which the drainage board having jurisdiction over the drainage district is located.
- 7 SECTION 2. 88.01 (4t) of the statutes is created to read:

BILL

1 88.01 (4t) "County land conservation committee" means the land conservation
2 committee of the county in which the drainage district is located or the land
3 conservation committee having jurisdiction over the proceedings in any drainage
4 district located in more than one county.

5 **SECTION 3.** 88.17 (1) of the statutes is amended to read:

6 88.17 (1) The ~~court~~ county land conservation committee, with the approval of
7 the county board, shall appoint a drainage board either upon ~~the filing of~~ notification
8 by the court that a petition for organization of a drainage district under this chapter
9 in a county that does not already have a drainage board has been filed or upon the
10 filing of a petition by a landowner in a drainage district or the state drainage
11 engineer for appointment of a drainage board in a county that already has a drainage
12 district. The board shall consist of 3 persons. One member of the original board shall
13 be appointed for a term of one year, one for 2 years, and one for 3 years. Upon the
14 expiration of the term of office of a board member, the ~~court~~ committee, with the
15 approval of the county board, shall appoint a successor for a 3-year term in the same
16 manner as the original appointment was made.

17 **SECTION 4.** 88.17 (2d) of the statutes is amended to read:

18 88.17 (2d) The board shall notify the ~~court~~ county land conservation committee
19 if any position on the board becomes vacant and the ~~court~~ committee, with the

7 drainage board at any time is an experienced farmer who is familiar with drainage
8 and that another of the members is familiar to some extent with drainage
9 engineering.

10 **SECTION 7.** 88.17 (4) of the statutes is amended to read:

11 88.17 **(4)** Ownership of or interest in lands sought to be drained does not
12 disqualify a person from acting as a member of the drainage board, but any board
