Rob, just checking to see if you were able to turn this amendment by the City of Milwaukee into drafting for SB 437? Thanks!

It's looking like Sen. Lazich will give SB 437 a public hearing on March 7th...

Yes, Rob here is the language –

SECTION 1. 349.24 (1m) of the statutes is created to read:

349.24 (1m) (a) The common council of a 1st class city may enact an ordinance establishing a taxicab medallion licensing system. An ordinance under this paragraph shall provide all of the following:

1. That the city shall issue to any person holding an unexpired taxicab license from the city on the effective date of this subdivision [LRB inserts date], that was issued after October 31, 2011, a taxicab medallion license upon the payment of a fee established by the city not exceeding \$500, in addition to any renewal or inspection fees charged by the city.

2/28/2012

2. That the city shall (DELETE annually) commission a study (INSERT prior to any auction) regarding whether there is new demand for the issuance of additional taxicab medallion licenses and hold a hearing on the study and that, after the hearing, the city shall determine whether to issue additional taxicab medallion licenses.

Subject: City of Milwaukee amendment to taxi medallion bill

Rob, the City of Milwaukee is requesting an amendment to SB 437/AB 529 that would take out the word "annually" and replace it with "at time of public auction" as it relates to the requirement to do a study to prove more cabs are needed in Milwaukee.

We are fine with amendment. Emily, can you send Rob the amendment language and then he can send it over to drafting as well?

Thank you!
