**443.14. Exempt persons.**

The following persons, while practicing within the scope of their respective exemptions, shall be exempt from this chapter:

\* \* \*

443.14 (17) of the statutes is created to read: [Note: current stat goes up to sub. (15), so number as sub (16)?]

**443.14 (17)** An employee or a contractor of a provider of broadcast service as defined in s.196.01 (1m), provider of cable service as defined in s. 196.01 (1p), public utility as defined in s. 196.01 (5), cooperative association organized under ch. 185 for the purpose of producing or furnishing heat, light, power, or water to its members only, video service provider, or a telecommunications provider as defined in s. 196.01 (8p), who is engaged in services described in s. 443.01(6s)(a)3., including preparing maps and performing construction or geodetic surveying establishing and depicting on a map the location of an easement necessary for in connection with the provision of broadcast, utility, video or telecommunication services, by the provider of broadcast service, provider of cable services, public utility, or telecommunications provider if the map includes all of the following:

~~(a) A legal description of each tract of land affected by the easement. In this paragraph, legal description has the meaning given in s. 706.01 (7r), except that, notwithstanding s. 66.0217 (1) (c), internal references to any other document may be used to establish and depict on the map the location of the easement.~~

~~(b) The width of the easement.~~

~~(c) The identification of each point at which the easement intersects each boundary of each tract of land affected by the easement.~~

443.14 (18) of the statutes is created to read:

**443.14 (18)** An employee or a contractor of a cooperative association organized under ch. 185 for the purpose of producing or furnishing heat, light, power, or water to its members only, who is engaged in establishing and depicting on a map the location of an easement necessary for the provision of services by the cooperative association if the map includes all of the following:

~~(a) A legal description of each tract of land affected by the easement. In this paragraph, legal description has the meaning given in s. 706.01 (7r), except that, notwithstanding s. 66.0217 (1) (c), internal references to any other document may be used to establish and depict on the map the location of the easement.~~

~~(b) The width of the easement.~~

~~(c) The identification of each point at which the easement intersects each boundary of each tract of land affected by the easement."~~
