Assumptions Used in Arriving at Fiscal Estimate

This bill creates a new special plate available for persons interested in obtaining special plates that display the words "Choose Life" and the proceeds from which support the purposes and bylaws of Choose Life Wisconsin. In addition to the regular vehicle registration fee, special group members are required to pay a \$15 fee for issuance or reissuance of the special plates and a \$25 annual fee that provides funds to Choose Life Wisconsin.

The Department assumes that the plate design will be based on the standard DMV design template for special plate types. Based on this assumption, the Department estimates one time costs of no more than \$23,700 for IT programming and plate design. This cost is incurred before any plates are sold, and regardless of how many plates are sold. Cost includes approximately \$23,000 for data processing system modifications, and \$700 for graphic design. The bill makes a one-time increase to the DMV appropriation of \$23,700, and provides that the Transportation Fund retain contributions, up to \$23,700, to fund the initial cost.

The \$25 fundraiser fee will be deposited into a fund for Choose Life Wisconsin after \$23,700 or actual production costs, whichever is less, has been covered.

On-going cost to DMV would be minimal and could be absorbed within DMV's budget. On-going revenue increase to the Transportation Fund would be minimal.

Long-Range Fiscal Implications

None.
