2011 ASSEMBLY BILL 543

No changes/  
Companion Bill

In 2/27/12

today

February 8, 2012 - Introduced by Representatives J. OTT, LEMAHIEU and STROEBEL,  
sponsored by Senator DARLING. Referred to Committee on Ways and Means.

Regen

- 1 AN ACT *to create* 43.64 (2) (c) of the statutes; **relating to:** exempting a city, town,
- 2 village, or school district from a county library tax.

***Analysis by the Legislative Reference Bureau***

Under current law, a county board may levy a tax for the purpose of providing public library services to county residents. A city, town, village, or school district located in the county is exempt from the county tax if the city, town, village, or school district levies a tax for public library services at a rate that is equal to or greater than the county library tax rate.

This bill provides an exemption from the county library tax if the city, town, village, or school district levies a tax for public library services and spends for a library fund an amount that is not less than the average of the three previous years, the county board approves the exemption, and (for the first year of exemption under this new method) the city, town, village, or school district qualified for the exemption using the current law method described above in each of the three previous years.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

- 3 SECTION 1. 43.64 (2) (c) of the statutes is created to read:

**ASSEMBLY BILL 543**

1           43.64 **(2)** (c) Except as provided under sub. (2m), upon the approval of the  
2 county board, any city, town, village, or school district in a county levying a tax for  
3 public library service under sub. (1) is exempt from the tax levy if all of the following  
4 apply:

5           1. The city, town, village, or school district levies a tax for public library service,  
6 less the amount levied for public library capital expenditures, and appropriates and  
7 spends for a library fund during the year for which the county tax levy is made an  
8 amount that is not less than the average of the previous 3 years.

9           2. The city, town, village, or school district qualified for the exemption under  
10 par. (b) in each of the previous 3 years. This subdivision applies only to the first year  
11 for which a city, town, village, or school district seeks an exemption under this  
12 paragraph.

**SECTION 2. Initial applicability.**

13           **(1)** This act first applies to taxes levied in the year beginning after the effective  
14 date of this subsection.
