Hi Steve,

Hope all is well. I am out tomorrow but wanted to email you this evening.

I noticed that you drafted the 2009 version of this (2009 SJR 51). Any chance you can forward this onto whomever on your staff handles requests like this. I think my boss might add a few more 'Whereas' into this, but I wanted to get the drafting going as I know how swamped you all are over there. Thanks much for your help.

Regards,
