Hi Sarah – Per our conversation on Tuesday, we have put together copy for a proposed Joint Resolution to recognize Moraine Park for its Centennial.

I know you noted the "Relating to" and "Resolved by" sections of the resolution are something that your office will ensure is in proper legislative verbiage, which is great.

Once you have reviewed our proposal, please let me know if there are any questions and if there is anything else you need from us to move forward.

Thank you so much and be sure and tell Senator King, thank you too.
