Advisory Act

1 **AN ACT**; relating to: eliminating collective bargaining rights for employees of
2 the University of Wisconsin System, the University of Wisconsin Hospitals and
3 Clinics Authority, and home care and child care providers; limiting collective
4 bargaining rights for state employees and municipal employees who are not law
5 enforcement or fire fighting personnel; prohibiting certain deductions of labor
6 organization dues; eliminating the Wisconsin Quality Home Care Authority;
7 and making an appropriation.

Analysis by the Legislative Reference Bureau

COLLECTIVE BARGAINING

Under current law, municipal employees have the right to collectively bargain over wages, hours, and conditions of employment under the Municipal Employment Relations Act (MERA), and state employees have the right to collectively bargain over wages, hours, and conditions of employment under the State Employment Labor Relations Act (SELRA). This bill changes MERA and SELRA with respect to all employees except certain employees who are certain protective occupation participants under the Wisconsin Retirement System or under a county or city

retirement system (public safety employees). This bill limits the right to collectively bargain for all employees who are not public safety employees (general employees) to the subject of base wages. In addition, unless a referendum authorizes a greater increase, any general employee who is part of a collective bargaining unit is limited to bargaining over a percentage wage increase that is no greater than the change in the consumer price index. This bill also prohibits municipal employers from collectively bargaining with municipal general employees in manners that are not permitted under this bill.

Under SELRA and MERA, a collective bargaining unit elects a labor organization as its representative once a majority of the employees in that collective bargaining unit who are actually voting votes for that labor organization; that labor organization remains the representative unless a percentage of members of the collective bargaining unit support a petition for a new election. This bill requires an annual certification election of the labor organization that represents each collective bargaining unit containing general employees. If, at the election, less than 51 percent of the actual employees in the collective bargaining unit vote for a representative, then the current representative is decertified and the members of the collective bargaining unit are nonrepresented and may not be represented for one year. This bill requires an initial certification election for represented state general employees in April 2011, for represented school district employees in the first May following the termination of their current collective bargaining agreements, and for other represented municipal general employees in the first December following the termination of their current collective bargaining agreements.

Currently, except for an initial collective bargaining agreement, the terms of collective bargaining agreements are generally two years for state and municipal employees, and current law does not prohibit collective bargaining agreements from being extended. This bill limits the term for general employees to one year and prohibits the extension of collective bargaining agreements.

Current law provides that state and municipal employees who are represented by a labor organization have the organization dues deducted from their salaries. Except for salary deductions for public safety employees, this bill prohibits the salary deductions for labor organization dues and makes such deductions a prohibited labor practice. This bill also allows a general employee to refrain from paying dues and remain a member of a collective bargaining unit.

Under current law, University of Wisconsin (UW) System employees, employees of the UW Hospitals and Clinics Authority, and certain home care and child care providers have the right to collectively bargain over wages, hours, and conditions of employment. This bill eliminates the rights of these employees to collectively bargain.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
