“(2) If there is any outstanding public debt, a portion of which was used to finance the acquisition, construction, or improvement of any plant that is sold, or is the subject of a contract for operation, under sub. (1), the department shall determine any actions that may be necessary or appropriate so as not to adversely affect any exclusion of interest on such public debt from gross income for federal income tax purposes, including payments to advisors or the federal internal revenue service. The department shall apply the net proceeds from any sale of a plant to do all of the following:

(a) To make any payments to advisors or the federal internal revenue service determined by the department to be necessary or appropriate.

(b) If the plant was acquired, constructed, or improved with federal financial assistance, to repay the federal government, as required by federal law.

(c) To deposit a sufficient amount of the net proceeds from any sale of the plant in the bond security and redemption fund under s. 18.09 to repay the principal and

pay the interest on such portion of the public debt, and any premium due upon repayment of such portion of the public debt.

(3) Except as provided in s. 51.06, the department shall deposit in the budget stabilization fund any net proceeds in excess of the amount required to be deposited or paid under sub. (2).”.

***b0045/1.2* 6.** Page 24, line 22: after that line insert:

“(3m) If the department proposes to sell, lease, or contract for the operation of any plant identified in sub. (1), the department shall first notify the joint committee on finance in writing of its proposed action. If the cochairpersons of the committee do not notify the department that the committee has scheduled a meeting for the purpose of reviewing the proposed sale within 14 working days after the date of the department’s notification, the plant may be sold by the department. If, within 14 working days after the date of the department’s notification, the cochairpersons of the committee notify the department that the committee has scheduled a meeting for the purpose of reviewing the proposed sale, the plant may be sold under sub. (1) only upon approval of the committee. Together with any notification, the department shall also provide all of the following:

(a) The estimated value of the plant as determined by the department and by at least one qualified privately owned assessor.

(b) The full cost of retiring any remaining public debt incurred to finance the acquisition, construction, or improvement of the plant.

(c) A cost–benefit analysis that considers the short–term and long–term costs and benefits to the state from selling, leasing, or contracting for the operation of the plant.

(d) The length and conditions of any proposed sale, lease, or service agreement between this state and a proposed purchaser, lessee, or contractor.

(e) The estimated budgetary impact of the proposed sale, lease, or contractual operation upon affected state agencies for at least the current and following fiscal biennium.

(f) Any other information requested by the committee.”.
