Cathlene,

No. However, I have them drafted for different members so I can handle them this afternoon.

I'm sorry Cathlene, I meant to copy and paste but it slipped my mind. I only slept for about two hours last night and it is beginning to show. Sorry about that ☺

Rep. Hulsey wanted me to submit a series of three different amendments he wants to offer concerning the sale of state power plants provisions.

The first one he wants to offer is to strike the language selling off the power plants completely.

The second is to have a cost competitive bidding process for the sale.

The third is to require any purchaser to sign a 25 year contract to sell energy to the state.

Hi Cathlene,

I just wanted to double-check with you on drafting of a couple of amendments. I believe these ideas have been submitted to you, they probably just weren't specifically for Rep. Hulsey. Can you take a look at these and make sure that they have been drafted? My guess is that it was Mike Murray from Rep. Parisi's office or Tom McCarthy from Rep. Pope-Robert's office that submitted the request. If you do not have any of these could you please draft them for us? Thanks!
