(br) 1. If a district board wishes to exceed the limit under par. (b) otherwise applicable to the district in 2011 or 2012, it shall adopt a resolution supporting inclusion in the final district budget of an amount equal to the proposed excess levy. Within 10 days after adopting the resolution, the district board shall notify the board of the scheduled date of the referendum and submit a copy of the resolution to the board. The district board shall call a special referendum for the purpose of submitting the resolution to the electors of the district for approval or rejection. In lieu of a special referendum, the district board may specify that the referendum be held at the next succeeding spring primary or election or September primary or general election, if such election is to be held not sooner than 42 days after the filing of the resolution of the district board. The district board shall certify the results of the referendum to the board within 10 days after the referendum is held.

(c) Except as provided in par. (d), if the board determines that a district board imposed an excess levy in 2011 or 2012, the board shall do all of the following:

3. Ensure that the amount of the excess levy is not included in determining the limit described under par. (b) for the district board for the following year.

4. Ensure that, if a district board's excess levy exceeds the amount of state aid that may be reduced under subd. 1., the excess amount is subtracted from state aid payments in the following years until the total amount of the excess levy is subtracted from the state aid payments.

(d) The department may issue a finding that a district board is not liable for a penalty that would otherwise be imposed under par. (c) if the department determines that the district board's excess levy is caused by one of the following clerical errors:

1. The department, through mistake or inadvertence, has assessed to any county or taxation district, in the current year or in the previous year, a greater or lesser valuation for any year than should have been assessed, causing the district board's levy to be erroneous in a way that directly causes an excess levy.

2. A taxation district clerk or a county clerk, through mistake or inadvertence in preparing or delivering the tax roll, causes a district board's levy to be erroneous in a way that directly causes an excess levy.

(e) Except as provided in par. (bg), a district board may not impose a tax levy at a rate greater than 1.5 mills on the full value of the taxable property of the district under this subsection.
