Subject: RE: question on AB 3

Could you please create an amendment that would include relocating from another country and also create a Senate Amendment?

Thanks,

jt

The language specifically says "locates to this state from another state". You would not be eligible is moving from outside the US.

Joe,

There has been a question raised on AB 3 as to whether or not relocating from outside of the state also implies that companies that reside outside of the country could also get the credit. Do you know if this is implicit in the language, or if a change would have to be made.

Thanks again,
