2 5. c.; and *to create* 60.85 (2) (b) 7. of the statutes; **relating to:** authorizing the
3 town of Brookfield in Waukesha County to create a tax incremental district for
4 a retail project.

Analysis by the Legislative Reference Bureau

Under current law, towns may use tax incremental financing (TIF) for limited purposes. A town may use TIF for projects related to tourism, agriculture, manufacturing, or forestry. A town may also use TIF for residential projects, but only to the extent that the residential project has a necessary and incidental relationship to a tourism, agricultural, manufacturing, or forestry project, and for retail projects to the extent that the retail development is related to the retail sale of a product that is produced due to an agricultural, forestry, or manufacturing project.

This bill authorizes the town of Brookfield in Waukesha County to use TIF for one project that is related either to retail purposes or to a purpose for which any city or village may create a TIF district.
