2011 SENATE BILL 61

April 15, 2011 - Introduced by Senator GALLOWAY, cosponsored by Representatives PETROWSKI, SEIDEL, MURSAU and SPANBAUER. Referred to Committee on Transportation and Elections.

1 **AN ACT to repeal** 348.27 (15) (e) of the statutes; **relating to:** multiple trip
2 permits for overweight vehicles transporting granular roofing material.

Analysis by the Legislative Reference Bureau

Under current law, with limited exceptions, no person may operate on a highway any vehicle or vehicle combination (vehicle) that exceeds certain statutory weight limits unless the person obtains a permit issued by the Department of Transportation (DOT) or a local authority, as applicable. Subject to certain restrictions, DOT issues to qualifying applicants multiple trip permits for the transportation of granular roofing material in vehicles that exceed, by not more than 10,000 pounds, the generally applicable statutory gross weight limitation of 80,000 pounds. However, DOT may not issue these permits after August 1, 2011.

This bill eliminates the August 1, 2011, expiration of these permits, allowing DOT to continue issuing the permits after this date.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 348.27 (15) (e) of the statutes is repealed.
