15 **13.** Page 21, line 9: after that line insert:

16 “**SECTION 45m.** 227.19 (4) of the statutes is repealed and recreated to read:

17 227.19 (4) COMMITTEE REVIEW. (a) *Notice of referral.* Upon receipt of notice that
18 a proposed rule has been referred to a committee under sub. (2), the chairperson or
19 chairpersons of the committee shall notify, in writing, each committee member of the
20 referral.

21 (am) *Committee meeting.* A committee may be convened upon the call of its
22 chairperson or cochairpersons to review a proposed rule. A committee may meet
23 separately or jointly with the other committee to which the notice and report were
24 referred. A committee may hold a public hearing to review a proposed rule.

1 (b) *Committee review period.* 1. Except as provided under subd. 5., the
2 committee review period for each committee extends for 30 days after referral under
3 sub. (2). If the chairperson or the cochairpersons of a committee take either of the
4 following actions within the 30–day period, the committee review period for that
5 committee is continued for 30 days from the date on which the first 30–day review
6 period would have expired:

7 a. Request in writing that the agency meet with the committee to review the
8 proposed rule.

9 b. Publish or post notice that the committee will hold a meeting or hearing to
10 review the proposed rule and immediately send a copy of the notice to the agency.

11 2. If a committee, by a majority vote of a quorum of the committee, requests
12 modifications in a proposed rule, and the agency, in writing, agrees to consider
13 making modifications, the review period for both committees is extended either to
14 the 10th working day following receipt by the committees of the modified proposed
15 rule or a written statement to the committee that the agency will not make
16 modifications or to the expiration of the review period under subd. 1., whichever is
17 later. There is no limit either on the number of modification agreements that may
18 be entered into or on the time within which modifications may be made.

19 2m. If a committee requests in writing that the public service commission
20 determine the rule’s impact on the cost or reliability of electricity generation,
21 transmission, or distribution of fuels used in generating electricity, the commission
22 shall prepare an energy impact report in the manner provided under s. 227.117 (1).
23 The commission shall submit a copy of the report to the committee and to the agency
24 that proposed the rule within 30 days after the written request is submitted to the
25 commission. The review period for both committees is extended to the 10th working

1 day following receipt by the committees of the report, to the expiration of the review
2 period under subd. 1., or to the expiration of the review period under subd. 2.,
3 whichever is later.

4 3. An agency may, on its own initiative, submit a germane modification to a
5 proposed rule to a committee during its review period. If a germane modification is
6 submitted within the final 10 days of a committee review period, the review period
7 for both committees is extended for 10 working days. If a germane modification is
8 submitted to a committee after the committee in the other house has concluded its
9 jurisdiction over the proposed rule, the jurisdiction of the committee of the other
10 house is revived for 10 working days. In this subdivision, an agency's proposal to
11 delete part of a proposed rule under committee review shall be treated as a germane
12 modification of the proposed rule.

13 3m. An agency may, during the committee review period, reconsider its action
14 by recalling the proposed rule from the chief clerk of each house of the legislature.
15 If the agency decides to continue the rule-making process with regard to the
16 proposed rule, it shall resubmit the proposed rule, either in its recalled form or with
17 one or more germane modifications, to the chief clerk in each house of the legislature
18 as provided in sub. (2) and the committee review period under subd. 1. shall begin
19 again.

20 4. An agency may modify a proposed rule following the committee review period
21 if the modification is germane to the subject matter of the proposed rule. If a germane
22 modification is made, the agency shall recall the proposed rule from the chief clerk
23 of each house of the legislature. The proposed rule, with the germane modification,
24 shall be resubmitted to the presiding officer in each house of the legislature as
25 provided in sub. (2) and the committee review period shall begin again. Following

1 the committee review period, an agency may not make any modification that is not
2 germane to the subject matter of the proposed rule. In this subdivision, an agency's
3 proposal to delete part of a proposed rule under committee review shall be treated
4 as a germane modification of the proposed rule.

5 5. If a committee in one house votes to object to a proposed rule under par. (d),
6 the chairperson or cochairpersons of the committee shall immediately notify the
7 chairperson or cochairpersons of the committee to which the proposed rule was
8 referred in the other house. Upon receipt of the notice, the review period for the
9 committee in the other house immediately ceases and no further action on the
10 proposed rule may be taken under this paragraph, but the committee may proceed
11 under par. (d) to object to the proposed rule.

12 6. If a committee has not concluded its jurisdiction over a proposed rule before
13 the day specified under s. 13.02 (1) for the next legislature to convene, that
14 jurisdiction immediately ceases and, within 10 working days after that date, the
15 presiding officer of the appropriate house shall refer the proposed rule to the
16 appropriate standing committee as provided under sub. (2). The committee review
17 period that was interrupted by the loss of jurisdiction under this subdivision
18 continues for the committee to which the proposed rule is referred under this
19 subdivision beginning on the date of referral under this subdivision.

20 (c) *Agency not to promulgate rule during committee review.* An agency may not
21 promulgate a proposed rule during the committee review period unless both
22 committees waive jurisdiction over the proposed rule prior to the expiration of the
23 review period. A committee may waive its jurisdiction by adopting, by a majority vote
24 of a quorum of the committee, a motion waiving the committee's jurisdiction.

1 (d) *Committee action.* A committee, by a majority vote of a quorum of the
2 committee during the review period under par. (b), may object to a proposed rule for
3 one or more of the following reasons:

4 1. An absence of statutory authority.

5 2. An emergency relating to public health, safety or welfare.

6 3. A failure to comply with legislative intent.

7 4. A conflict with state law.

8 5. A change in circumstances since enactment of the earliest law upon which
9 the proposed rule is based.

10 6. Arbitrariness and capriciousness, or imposition of an undue hardship.

11 (e) *Part of a proposed rule.* An agency may promulgate any part of a proposed
12 rule which is not objected to by a committee.”.

13 **14.** Page 26, line 2: after that line insert:

14 “**SECTION 56m.** 227.19 (5) of the statutes is repealed and recreated to read:

15 **227.19 (5)** JOINT COMMITTEE FOR REVIEW OF ADMINISTRATIVE RULES. (a) *Referral.*

16 If a committee objects to a proposed rule, the committee shall report the proposed
17 rule and the objection to the chief clerk of the appropriate house within 5 working
18 days after making the objection. The chief clerk shall refer the proposed rule and the
19 objection to the joint committee for review of administrative rules within 5 working
20 days after receiving the committee report.

21 (b) *Joint committee review period.* 1. The review period for the joint committee
22 for review of administrative rules extends for 30 days after a proposed rule and
23 objection are referred to it. The joint committee for review of administrative rules
24 shall meet and take action in executive session during that period, except that if the

1 cochairpersons take either of the following actions within the 30–day period, the joint
2 committee review period is continued for 30 days from the date on which the first
3 30–day review period would have expired:

4 a. Request in writing that the agency meet with the joint committee for review
5 of administrative rules to review the proposed rule.

6 b. Publish or post notice that the joint committee for review of administrative
7 rules will hold a meeting or hearing to review the proposed rule and immediately
8 send a copy of the notice to the agency.

9 2. If the joint committee for review of administrative rules, by a majority vote
10 of a quorum of the committee, requests modifications in a proposed rule, and the
11 agency, in writing, agrees to consider making modifications, the review period for the
12 joint committee is extended either to the 10th working day following receipt by the
13 joint committee of the modified proposed rule or a written statement to the joint
14 committee that the agency will not make modifications or to the expiration of the
15 review period under subd. 1., whichever is later. There is no limit either on the
16 number of modification agreements that may be entered into or on the time within
17 which modifications may be made.

18 3. If both committees object to a proposed rule, each objection has a separate
19 review period beginning on the date of its receipt.

20 4. If the joint committee for review of administrative rules has not concluded
21 its jurisdiction over a proposed rule before the day specified under s. 13.02 (1) for the
22 next legislature to convene, that jurisdiction immediately ceases and, within 10
23 working days after that date, the presiding officer of the appropriate house shall
24 refer the proposed rule to the joint committee for review of administrative rules. The
25 committee review period that was interrupted by the loss of jurisdiction under this

1 subdivision continues for the joint committee for review of administrative rules to
2 which the proposed rule is referred under this subdivision beginning on the date of
3 referral under this subdivision.

4 (c) *Agency not to promulgate rule during joint committee review.* An agency may
5 not promulgate a proposed rule to which a committee has objected unless the joint
6 committee for review of administrative rules, under par. (d), nonconcur in the action
7 of the committee, or until a bill introduced under par. (e) fails to be enacted. An
8 agency may promulgate any part of a proposed rule to which no objection has been
9 made.

10 (d) *Joint committee action.* The joint committee for review of administrative
11 rules may nonconcur in a committee's objection to a proposed rule by voting to
12 nonconcur during the review period under par. (b). If the joint committee for review
13 of administrative rules objects to a proposed rule, an agency may not promulgate the
14 proposed rule until a bill introduced under par. (e) fails to be enacted. The joint
15 committee for review of administrative rules may object to a proposed rule only for
16 one or more of the reasons specified under sub. (4) (d).

17 (e) *Bills to prevent promulgation.* When the joint committee for review of
18 administrative rules objects to a proposed rule it shall, within 30 days of the date of
19 the objection, meet and take executive action regarding the introduction, in each
20 house of the legislature, of a bill to support the objection. The joint committee shall
21 introduce the bills within 5 working days after taking executive action in favor of
22 introduction of the bills unless the bills cannot be introduced during this time period
23 under the joint rules of the legislature.

24 (f) *Timely introduction of bills; effect.* If both bills required under par. (e) are
25 defeated, or fail to be enacted in any other manner, the agency may promulgate the

1 proposed rule that was objected to. If either bill becomes law, the agency may not
2 promulgate the proposed rule that was objected to unless a subsequent law
3 specifically authorizes its promulgation. This paragraph applies to bills introduced
4 on or after the day specified under s. 13.02 (1) for the legislature to convene and
5 before February 1 of an even-numbered year.

6 (g) If the bills required under par. (e) are introduced on or after February 1 of
7 an even-numbered year and before the next regular session of the legislature
8 commences, as provided under s. 13.02 (2), or if the bills cannot be introduced during
9 this time period under the joint rules of the legislature, the joint committee for review
10 of administrative rules shall introduce the bills on the first day of the next regular
11 session of the legislature, unless either house adversely disposes of either bill. If the
12 joint committee for review of administrative rules is required to introduce the bills,
13 the agency may not promulgate the proposed rule to which the bills pertain except
14 as provided in par. (f). If either house adversely disposes of either bill, the agency
15 may promulgate the proposed rule that was objected to. In this paragraph,
16 “adversely disposes of” means that one house has voted in one of the following ways:

- 17 1. To indefinitely postpone the bill.
- 18 2. To nonconcur in the bill.
- 19 3. Against ordering the bill engrossed.
- 20 4. Against ordering the bill to a 3rd reading.
- 21 5. Against passage.
- 22 6. Against concurrence.”.
