Subject: RE: Amendment request for Voter ID

Kelly,
I will enter your request. For now, we are drafting Assembly Amendments to the JFC substitute (ASA2). Let's reconfirm if we need to apply this to a senate document at the time it becomes clear what that document will be.

Subject: Amendment request for Voter ID

Hi, Jeff,

Sen. Cullen would like the following amendment drafted to Senate Bill 6 and Assembly Bill 7:

Besides showing proof of identification, potential voters must show proof that they have lived at their address for 528 days AND they are between the ages of 40 and 60, with a household income of \$60,000 or more, and own property, OR are at least 23 years of age, a college graduate, and have held full-time employment for the previous two consecutive years OR are 65 years of age or older and spend at least two months per winter in the southern half of the United States. The Government Accountability Board can develop rules defining the southern half of the United States and "property."

I understand that this conflicts with the Constitution, but Sen. Cullen wants it drafted so he can talk about voter suppression on the Senate floor. Please let me know if you have any questions.
