Hi Cathlene,

I would like to have a simple amendment to prohibit carrying a weapon in municipal courthouses... **when court is in session.**

I use the "when court is in session" as most muni courts are in the basement of some building. When court is not in session carry can be allowed or the building can be posted.

This is a friendly amendment and we would like to offer it tomorrow at the hearing, so the deadline for drafting is, as always, asap.

I know that Anne had some discussions on this, so she might be able to provide more direction if necessary.

Thanks,

Jen

Hi Cathlene & Larry,

Do you think we should advise "courtroom" instead? I'm not sure we would all know what is meant by "municipal courthouse".

Anne
