## Hanaman, Cathlene

**To:** McKinny, Chris
**Subject:** RE: Portions of Budget Omnibi for Concealed Carry

Chris:

These items are not in the concealed carried bill so they are not drafted (they repeal lines or affect lines in the budget substitute amendment). We would have to draft items that repealed/created each statute affected by the budget. This amendment could not be ready for the floor tomorrow.

**Subject:** Portions of Budget Omnibi for Concealed Carry

Hi Cathlene and Rick,

Here are the individual provisions of our budget omnibi (I don't think that's a word but it should be) that we would like compiled into one simple amendment for concealed carry. The language for all of these amendments should already exist with the exception of the collective bargaining changes, although I think that may have been introduced in the Senate. Please let me know if you have any questions. Thanks again!
