

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRBa1434/1dn

July 20, 2011

Representative Krusick:

2011 Wisconsin Act 32 created s. 16.413, which requires disclosure of expenditures relating to state operations and posting of this information on an Internet Web site maintained by DOA. My understanding is that this Web site and the posting of information is not going to occur for a couple of years. Your amendment will require the senate and assembly clerks to post the contract information on the legislature's Web site as soon as practical. Some of the information you require is also more detailed than under current law, especially relating to the names of the individuals employed by the law firms or consulting firms who provided the legal and consulting services.
