### ***Analysis by the Legislative Reference Bureau***

Under current law, certain highway routes and bridges have been designated and marked to memorialize, commemorate, or recognize certain individuals, groups, or events. This bill directs the Department of Transportation to designate and , upon receipt of sufficient contributions from interested parties, mark the bridge on USH 141 across the Menominee River in Marinette County as “Veterans Memorial Bridge” as a living memorial to and in honor of all Wisconsin veterans, living and dead, of all wars in which the United States has engaged. No state funds, other than from contributions from interested parties, may be used for the erection or maintenance of any marker to identify the bridge as “Veterans Memorial Bridge.”

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
