

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-1693/1dn
MES:jld:ph

March 30, 2011

Representative Ballweg:

Please note that this bill is based on the instructions I received from the Marquette County surveyor/Land Information officer and the Green Lake County Geographic Information System specialist; there is really no way for the LRB to independently verify the accuracy of the boundaries of these two counties as described in the bill.
