AN ACT *to amend* 79.05 (2) (c) of the statutes; **relating to:** excluding from the calculation of expenditure restraint payments expenditures made pursuant to a purchasing agreement with a school district.

Analysis by the Legislative Reference Bureau

Under current law, for purposes of determining a municipality's eligibility to receive expenditure restraint payments, a comparison of a municipality's current budget with its previous budget excludes principal and interest on long—term debt, certain revenue sharing payments, recycling fee payments, and expenditures from moneys received under the federal American Recovery and Reinvestment Act. Under this bill, expenditures made pursuant to a purchasing agreement with a school district whereby the municipality makes purchases on behalf of the school district are also excluded from municipal budget comparisons for purposes of determining a municipality's eligibility to receive expenditure restraint payments.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
