2922/1

- 1 AN ACT *to amend* 79.05 (2) (c) of the statutes; **relating to:** excluding from the
- 2 calculation of expenditure restraint payments expenditures made pursuant to
- 3 a purchasing agreement with a school district.

***Analysis by the Legislative Reference Bureau***

Under current law, for purposes of determining a municipality's eligibility to receive expenditure restraint payments, a comparison of a municipality's current budget with its previous budget excludes principal and interest on long-term debt, certain revenue sharing payments, recycling fee payments, and expenditures from moneys received under the federal American Recovery and Reinvestment Act. Under this bill, expenditures made pursuant to a purchasing agreement with a school district whereby the municipality makes purchases on behalf of the school district are also excluded from municipal budget comparisons for purposes of determining a municipality's eligibility to receive expenditure restraint payments.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

- 4 SECTION 1. 79.05 (2) (c) of the statutes is amended to read:
