6 **SECTION 103.** 145.20 (3) (a) 2. of the statutes is amended to read:

7 145.20 (3) (a) 2. The department may exempt a governmental unit from any
8 category of private sewage on-site wastewater treatment systems for which
9 departmental approval is required prior to sanitary permit issuance under subd. 1.,
10 upon a determination, in accordance with rules promulgated by the department, that
11 past performance of the governmental unit on reviews and audits under par. (b) has
12 been satisfactory and that the governmental unit has the capacity to give the same
13 level of application and plan review as that provided by the department. The
14 department may revoke an exemption upon a finding that performance of the
15 governmental unit on a review or audit conducted subsequent to the granting of the
16 exemption is unsatisfactory or that the governmental unit is not giving the same
17 level of application and plan review as that provided by the department. Findings
18 in a revocation action may be made only after a public hearing upon 30 days' advance
19 notice to the clerk of the governmental unit. The department shall submit a report
20 under s. 13.172 (2) to the chief clerk of each house of the legislature, at the beginning

8 requirements of s. 59.70 (5) or if the governmental unit does not appoint personnel
9 meeting the requirements of sub. (1) or if the governmental unit does not comply with
10 the requirements of sub. (2) or s. 145.19 (3), the department may conduct hearings
11 in the county seat upon 30 days' notice to the county clerk. As soon as practicable
12 after the public hearing, the department shall issue a written decision regarding

10 system does not have a maintenance plan as prescribed by rule by the department.
11 Inspections may be conducted by a master plumber, journeyman plumber or
12 restricted plumber licensed under this chapter, a person licensed under s. 281.48 or
13 by an employee of the state or governmental unit designated by the department, and
14 the department may determine by rule other persons who are qualified to undertake
15 required inspection, maintenance, or repairs. The department shall specify the
16 methods to establish the required frequency of inspection, maintenance, and
17 pumping for each type of private sewage on-site wastewater treatment system that
18 does not have a maintenance plan and shall periodically update the methods.

19 **SECTION 111.** 145.20 (6) (a) 2. of the statutes is amended to read:

2 145.24 (1) If an existing private sewage on-site wastewater treatment system
3 either is not located in soil meeting the siting standards or is not constructed in
4 accordance with design standards promulgated under s. 145.02 or 145.13, the owner
5 of the private sewage on-site wastewater treatment system may petition the
6 department for a variance to the siting or design standards.

7 **SECTION 113.** 145.24 (2) of the statutes is amended to read:

8 145.24 (2) The department shall establish procedures for the review and

12 145.24 (3) Upon receipt of a petition for a variance, the department shall
13 require the owner of the private sewage on-site wastewater treatment system to
14 submit information necessary to evaluate the request for a variance. If the
15 department determines that the existing private sewage on-site wastewater
16 treatment system is not a failing private sewage on-site wastewater treatment
17 system, and continued use of the existing private sewage on-site wastewater
18 treatment system will not pose a threat of contamination of waters of the state, then
19 the department may issue a variance to allow continued use of the existing private
20 sewage on-site wastewater treatment system. The department shall rescind the
21 variance if the existing private sewage on-site wastewater treatment system

Hi Eileen -

There are lots of amendments coming through editing right now for committee hearings tomorrow, the floor session today, the mining bill next week. Because those are calendared events, those take priority. But the editor and the LPS staff will do their best to get the compile to you as soon as possible.

Thanks,
Tracy
