Hi Tracy,

Sorry to bother you again.

Dee from Olsen sent me the language of their simple amendment. Do we have to have the sum sufficient language amendment updated to fit into theirs?

Sorry,

Shannon

Below is the simple amendment from LRB. You will notice it contains all of the changes the Assembly did. However the last sentence of the simple addresses the test score. Instead of tying our test score to the 2012 test score for MA. The Test company will help determine what is a "passing Score" based on Wisconsin Standards.

If you have any questions, just let me know – I check email periodically through the weekend and would be happy to help as much as possible, although I am not the expert Sarah is!

Thanks,

Dee
