Subject: Last thing I will bug you about with Read to Lead Bill - I promise.

There is a list of people that will be on the read to lead development council.

We would really like it to require at least 1 special ed teacher. Can we do an amendment to just add that in.

I think in the Sub it is on page 2 line 14. Add in one practicing special education teacher

Hi Shannon –

I'm not sure what you are asking. Give me a call and we can discuss.

Hi Tracy,

Sorry to bother you again.

Dee from Olsen sent me the language of their simple amendment. Do we have to have the sum sufficient language amendment updated to fit into theirs?

Sorry,

Shannon

Below is the simple amendment from LRB. You will notice it contains all of the changes the Assembly did. However the last sentence of the simple addresses the test score. Instead of tying our test score to the 2012 test score for MA. The Test company will help determine what is a "passing Score" based on Wisconsin Standards.

If you have any questions, just let me know – I check email periodically through the weekend and would be happy to help
