Subject: Amendment request for SB 326

Robin,

Below is our request for an amendment request to SSA 1 to SB 326 based on the information provided to me by the Department of Natural Resources regarding a pier which is being considered for enforcement action.

Page 6, line 24 of SSA 1 – After, “does not interfere with the riparian rights of other riparian owners”, insert “or the Department has not sent a preliminary determination to the riparian owner prior to the effective date of this paragraph that the pier or wharf is detrimental to the public interest.”
