1 At the locations indicated, amend the bill as follows:

2 **1.** Page 4, line 6: after that line insert:

3 “**SECTION 1m.** 118.01 (2) (d) 2. c. of the statutes is amended to read:

4 118.01 (2) (d) 2. c. ~~Knowledge~~ Except as provided in this subd. 2. c., knowledge

5 of physiology and hygiene, sanitation, the effects of controlled substances under ch.

6 961 and alcohol upon the human system, symptoms of disease, and the proper care

7 of the body. No pupil may be required to take instruction in these subjects if his or

8 her parent files with the teacher a written objection thereto. If a pupil does not take

9 instruction in these subjects as a result of parental objection, the pupil may not be

10 required to be examined in the subjects and may not be penalized in any way for not

11 taking such instruction, but if the subjects receive credit toward graduation, the

12 school board may require the pupil to complete an alternative assignment that is

13 similar to the subjects in the length of time necessary to complete. Instruction in

1 physiology and hygiene shall include instruction on sexually transmitted diseases
2 and shall be offered in every high school. A school board may determine to exclude
3 instruction about the spread of germs from the instruction provided under this subd.
4 2. c.”.
