(5) ASSURANCE OF PERFORMANCE; IN GENERAL. In order to assure the faithful performance of a provider's obligations to its service contract holders, each provider shall be responsible for complying with the requirements specified in sub. (6) or (7).

(6) ASSURANCE OF PERFORMANCE; INSURANCE. (a) A provider may satisfy sub. (5) by insuring all service contracts under a reimbursement insurance policy that has been filed with and approved by the commissioner under s. 631.20, that is issued by an insurer authorized to do business in this state, and that satisfies, at a minimum, all of the following:

1. The policy states that, if the provider covered under the policy does not provide, or reimburse or pay for, a service that is covered under a service contract insured under the policy within 60 days after a service contract holder provides proof of loss, or in the event of the provider's insolvency or other financial impairment, the service contract holder may file a claim with the

insurer issuing the reimbursement insurance policy for reimbursement, payment, or provision of the service.

2. The policy states that the insurer issuing the policy shall assume full responsibility for administering and paying claims and other obligations under service contracts insured under the policy if the provider or designated administrator fails to do so.

3. If the commissioner so requests, the provider shall file with the commissioner copies of its audited financial statements or financial statements that are certified as accurate by a corporate officer of the provider if the provider does not have audited financial statements.

(c) An insurer issuing a reimbursement insurance policy to a provider is considered to have received the premium for that insurance policy upon payment by a consumer of the fee for a service contract issued by the insured provider.

(d) The termination or nonrenewal of a provider's reimbursement insurance policy does not reduce the insurer's responsibility with respect to service contracts issued by the provider before the date of the termination or, in the case of nonrenewal, the expiration of the policy.

(e) Nothing in this subsection prevents, or limits the right of, an insurer that issued a reimbursement insurance policy to seek indemnification from or subrogation against a provider if the insurer pays or is obligated to pay the service contract holder any amount that the provider was obligated to pay under the service contract.

The provider shall notify the commissioner in writing of the nonrenewal of a letter of credit within 30 days after receiving a notice of nonrenewal. No provider whose letter of credit has been nonrenewed may offer or sell or renew any service contract on or after the date of nonrenewal until the provider obtains security satisfying the requirements of this subsection or satisfies the requirements of sub. (6).

(c) The security under this subsection shall be not less than \$50,000 plus one of the following:

1. If the provider has not appointed an administrator under s. 616.54 (1), 15 percent of the provider fees collected from service contract holders for all unexpired service contracts in force in Wisconsin on January 1 of each year.

(5) shall, by the end of the 5th month following the end of each fiscal year of the provider, submit financial statements for the fiscal year to the commissioner that are prepared on an accrual basis in accordance with generally accepted accounting principles and that are audited by an independent certified public accountant.

(4) Service contracts insured under a reimbursement insurance policy pursuant to s. 616.54 (6) shall contain a statement in substantially the following form: “Obligations of the provider under this service contract are insured under a service contract reimbursement insurance policy.” The service contract shall state the name and address of the insurer; state that if a provider does not provide, or reimburse or pay for, a service that is covered under a service contract within 60 days after a contract holder provides proof of loss, or if the provider becomes insolvent or otherwise financially impaired, the contract holder may file a claim directly with the service contract reimbursement insurer for reimbursement, payment, or provision of the service; and state the instructions on how to file a claim.

A service contract may be cancelled by a provider only for nonpayment of the provider fee, material misrepresentation by the contract holder to the provider or administrator, or substantial breach of duties by the service contract holder relating to the covered product or its use. A provider shall comply with all of following when cancelling a service contract:

(a) The provider shall mail a written notice to the service contract holder at the last-known address of the service contract holder contained in the records of the provider at least 5 days prior to cancellation by the provider.

(b) The notice under par. (a) shall state the effective date of the cancellation and the reason for the cancellation.

(c) If a service contract is cancelled by the provider for a reason other than nonpayment of the provider fee, the provider shall refund to the service contract holder 100 percent of the unearned pro rata provider fee, less any claims paid.

(13) Service contracts shall set forth all of the obligations and duties of the service contract holder, including the duty to protect against any further damage and any requirement to follow the owner’s manual.

Upon

return of the service contract to the provider within the applicable period, if no claim has been made under the service contract prior to its return to the provider, the service contract is void and the provider shall refund to the service contract holder, or credit the account of the service contract holder, the full purchase price of the service contract. Unless otherwise stated in a service contract, the right to void a service contract under this paragraph is not transferable and shall apply only to the original service contract purchaser. (15) for voiding a service contract or if a claim has been made under a service contract within such period, a service contract holder may cancel the service contract and the provider shall refund to the service contract holder 100 percent of the unearned pro rata provider fee, less any claims paid. A provider may charge a reasonable administrative fee for the cancellation, which may not exceed 10 percent of the provider fee.

(17) A service contract shall be subject to s. 631.85.

616.58 Prohibited acts. (1) (a) A provider shall not use in its name used in this state the words "insurance," "casualty," "surety," or "mutual" or any other words descriptive of the insurance, casualty, or surety business; or a name deceptively similar to the name or description of any insurance or surety corporation, or to the name of any other provider. The word "guaranty" or a similar word may be used by a provider.

Filing a report and, with intent to deceive a person examining it, making a false entry in a record or intentionally refraining from making a proper entry, are "communications" within the meaning of this paragraph. No provider or administrator may use any business name, slogan, emblem, or related device that is misleading or likely to

cause the provider or administrator to be mistaken for another provider or administrator already in business.

(b) If an administrator or representative of a provider distributes cards or documents, exhibits a sign, or publishes an advertisement that violates par. (a), having reference to a particular provider that the administrator or representative represents, such violation creates a rebuttable presumption that the violation was also committed by the provider.

(3) A person, including a bank, savings and loan association, lending institution, manufacturer, or seller of any product, shall not require the purchase of a service contract as a condition of a loan or a condition for the sale of any property, except that a person buying or selling a home may condition the purchase or sale of the home on the seller's or buyer's procurement of a service contract that covers the home.

(4) A motor vehicle service contract provider or its representative shall not, directly or indirectly, represent in any manner, whether by written solicitation or telemarketing, a false, deceptive, or misleading statement with respect to any of the following:

(a) The provider's affiliation with a motor vehicle manufacturer.

(b) The provider's possession of information regarding a motor vehicle owner's current motor vehicle manufacturer's original equipment warranty.

(c) The expiration of a motor vehicle owner's current motor vehicle manufacturer's original equipment warranty.

(d) A requirement that a motor vehicle owner purchase a new motor vehicle service contract with the provider in order to maintain coverage under the motor vehicle owner's current motor vehicle service contract or manufacturer's original equipment warranty.

616.60 Record-keeping requirements. (1) (a) A provider shall keep accurate accounts, books, and records concerning transactions regulated under this subchapter.

(b) A provider's accounts, books, and records shall include all of the following:

1. Copies of each type of service contract sold.

3. A list of the locations where service contracts are marketed, sold, or offered for sale in this state.

4. Written claims files that shall contain at least the dates, descriptions, and amounts paid or denied for claims related to the service contracts.

5. The effective date, expiration date, name of the seller, and provider fee paid for each service contract sold in this state.

(c) Except as provided in sub. (2), a provider shall retain all records required to be maintained under this subsection for a service contract for at least one year after

the period of coverage specified in the contract has expired.

(d) The records required under this subsection may be, but are not required to be, maintained on a computer disk or other record-keeping technology. If the records are maintained in other than hard copy, the records shall be capable of duplication to electronic copy or legible hard copy at the request of the commissioner.

(2) A provider discontinuing business in this state shall maintain its records until it furnishes the commissioner satisfactory proof that it has discharged all obligations to service contract holders in this state.

616.62 Enforcement. (1) The commissioner may conduct examinations of providers, administrators, service contract sellers, or other persons under ss. 601.43 to 601.45 to enforce the provisions of this subchapter and protect service contract holders in this state. Upon request of the commissioner, a provider shall make all accounts, books, and records concerning service contracts sold by or on behalf of the provider available to the commissioner which are necessary to enable the commissioner to reasonably determine compliance with this subchapter.

(2) The commissioner may take any action under ss. 601.41 and 601.61 to 601.73 that is necessary or appro-

priate to enforce the provisions of this subchapter and the commissioner's rules and orders and to protect service contract holders in this state. The commissioner may subject a provider to any reporting and replying requirement under s. 601.42.
