1 **AN ACT** *to renumber* subchapter II (title) of chapter 616 [precedes 616.71]; and
2 *to create* 600.01 (1) (b) 12., 601.31 (1) (kr), subchapter III of chapter 616
3 [precedes 616.50] and 628.02 (1) (b) 9. of the statutes; **relating to:** regulating
4 certain service contracts and granting rule-making authority.

Analysis by the Legislative Reference Bureau

This bill imposes requirements on service contracts that are enforced by the Office of the Commissioner of Insurance (OCI). As discussed below, the bill defines the service contracts that are subject to the bill, creates exemptions from the bill's requirements, imposes requirements on providers of service contracts that are not exempt from the bill, and imposes other requirements.

Service contracts. The bill defines "service contract" as a contract or agreement for a separately stated consideration to perform, or provide indemnification for, the repair, replacement, or maintenance of property for the operational or structural failure of property that is due to a defect in materials or workmanship, accidental damage from handling, or normal wear and tear. The definition includes contracts or agreements with or without additional provisions for incidental payment of indemnity under limited circumstances, including towing, rental, and emergency road service and road hazard protection.

The bill specifies that a contract or agreement for the following is a service contract: 1) repair, replacement, maintenance, or indemnification for damage resulting from a power surge or interruption; 2) repair, replacement, or indemnification for the operational or structural failure of motor vehicle parts or

SENATE BILL 492

systems that is brought about by the failure of an additive product to perform as represented; 3) repair or replacement of motor vehicle tires or wheels that are damaged by road hazards; and 4) removal of motor vehicle dents, dings, or creases that can be repaired by specified processes. In addition, the bill specifies that a contract or agreement for repairing motor vehicle windshield chips or cracks is a service contract, but a contract or agreement for replacing an entire windshield is not a service contract. Also, the bill specifies that a contract or agreement for repairing damage to the interior components of a motor vehicle caused by wear and tear is a service contract, but a contract or agreement for replacing any part or component of a motor vehicle's interior is not a service contract.

Exemptions. The bill exempts certain service contracts from the bill's requirements. A service contract is exempt if any of the following are satisfied: 1) the service contract is sold or offered for sale to a person who is not a consumer; 2) the service contract is for an inside wire protection plan associated with the offering of telecommunications, video, cable programming, or Internet access service; or 3) the service contract is offered by a public utility on its devices for transmitting service to customers. However, the third exemption applies only to the extent that the service contract is regulated by the Public Service Commission.

The bill also exempts maintenance agreements and certain warranties from the bill's requirements. The bill defines "maintenance agreement" as a contract for a specified duration that provides for scheduled maintenance without including repair or replacement. The exemption for warranties covers warranties for certain products for preventing loss or damage to motor vehicles, as well as warranties for motor vehicle rustproofing, both of which are subject to regulation by OCI under current law. In addition, any other type of warranty is exempt if it satisfies all of the following: 1) the warranty is made solely by the manufacturer, importer, or seller of property or services without consideration; 2) the warranty is not negotiated or separated from the sale of the product or services; 3) the warranty is incidental to the sale of the product or services; and 4) the warranty guarantees indemnity for defective parts, mechanical or electrical breakdown, labor, or other remedial measures.

The bill also allows a person who holds a valid certificate of authority under OCI's rules regarding warranty plans to elect to either: 1) comply with the bill; or 2) exempt itself from the bill's requirements and continue to comply with those rules.

Regulation of providers. The bill regulates a "provider," which the bill defines as a person who is contractually obligated to the holder or purchaser of a service contract under the terms of the contract. Unless an exemption applies, the bill prohibits a person from acting as a provider without a license issued by OCI. An applicant for a license must pay an initial license fee of \$400 and an annual \$100 fee, unless OCI specifies different amounts by rule. An applicant must also submit copies of service contracts that it proposes to sell in the state. In addition, an applicant must provide documentation that the applicant does one of the following in order to assure performance of its obligations under the service contracts that it sells in the state: 1) obtains a reimbursement insurance policy that satisfies certain specified requirements; or 2) provides OCI with a deposit of securities, an irrevocable letter

SENATE BILL 492

of credit, or a combination of the foregoing, in specified amounts. The bill generally defines “reimbursement insurance policy” as an insurance policy issued to a provider that, in the event of the provider’s nonperformance under its service contracts, will pay or perform on behalf of the provider all covered contractual obligations or services. To satisfy the requirements necessary to assure performance of the provider’s obligations under its service contracts a reimbursement insurance policy must state that a service contract holder may file a claim with the insurer if the provider does not perform its obligations within 60 days after the service contract holder provides proof of loss; that the insurer will administer and pay claims if the provider or the provider’s designated administrator fails to do so; and that the insurer may not terminate or refuse to renew the policy unless the insurer has provided at least 60 days’ written notice to OCI before terminating or not renewing the policy.

The bill requires providers to do the following: 1) obtain OCI approval of service contracts and comply with requirements regarding contract language; 2) make specified disclosures in service contracts; 3) comply with requirements regarding cancellation of service contracts and refunds; 4) provide sample service contracts prior to purchase upon request; 5) provide receipts and copies of service contracts to purchasers; 6) subject to OCI’s approval, include independent appraisal and compulsory arbitration provisions in service contracts; 7) comply with payment of claims requirements that apply to insurers under current law; and 8) comply with record-keeping requirements. The bill prohibits providers from using certain terms regarding insurance in the provider’s name, unless the provider used an otherwise prohibited term in its name prior to the bill’s effective date, in which case the bill requires the provider to disclose that its service contracts are not insurance contracts. In addition, the bill prohibits a provider from making communications about service contracts that are false or misleading. For motor vehicle service contracts, the bill prohibits false or misleading statements regarding original equipment warranties or affiliation with motor vehicle manufacturers.

Other requirements. The bill also does the following:

1. Allows, but does not require, a provider to appoint a person, whom the bill refers to as an “administrator,” to be responsible for administering service contracts and complying with the bill’s requirements. A provider is generally liable for acts of an administrator regarding administration of the provider’s service contracts, except that the bill allows a provider to avoid liability for certain false or misleading communications made by an administrator in cards, documents, or advertisements. The bill also requires an applicant for licensure as a provider to identify any administrators that the applicant has appointed, and requires administrators to register with OCI.

2. Exempts motor vehicle manufacturers, as defined in the bill, who offer service contracts from the following: 1) licensing by OCI; 2) registering administrators; 3) providing sample service contracts prior to purchase upon request; 4) providing receipts and copies of service contracts to purchasers; 5) assuring performance of obligations by obtaining a reimbursement insurance policy

SENATE BILL 492

or providing OCI with a deposit of securities or an irrevocable letter of credit; and 6) complying with record-keeping requirements.

3. Exempts service contract sellers from licensure or registration. The bill generally defines a “service contract seller” as a person, including a real estate agent, who is engaged only in the selling or soliciting of a service contract.

4. Subjects administrators, service contract sellers, and representatives of providers to the prohibition on false or misleading communications that applies to providers.

5. Prohibits any person from requiring the purchase of a service contract as a condition of a loan or sale of property, except for a person buying or selling a home, who may condition the purchase or sale on the procurement of a service contract covering the home.

6. Allows OCI to enforce the bill’s requirements in the same manner that OCI enforces other insurance requirements under current law, including allowing OCI to conduct examinations of providers, administrators, service contract sellers, and other persons, and allowing OCI to commence actions for injunctions and temporary restraining orders.

7. Subjects persons who violate the bill to the same penalties that apply under current law to other violations of insurance requirements. The penalties include forfeitures of not more than \$1,000 and restitutionary forfeitures, as well as fines of not more than \$10,000, imprisonment for not more than three years and six months, or both.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

25 all of the following:

SENATE BILL 492

1 1. The policy states that, if the provider covered under the policy does not
2 provide, or reimburse or pay for, a service that is covered under a service contract
3 insured under the policy within 60 days after a service contract holder provides proof
4 of loss, or in the event of the provider's insolvency or other financial impairment, the
5 service contract holder may file a claim with the insurer issuing the reimbursement
6 insurance policy for reimbursement, payment, or provision of the service.

7 2. The policy states that the insurer issuing the policy shall assume full
8 responsibility for administering and paying claims and other obligations under
9 service contracts insured under the policy if the provider or designated
10 administrator fails to do so.

11 3. The policy states that the insurer issuing the policy may not terminate or
12 refuse to renew the policy unless the insurer has provided a written notice of
13 termination or nonrenewal to the commissioner at least 60 days before the date of
14 the termination or, in the case of nonrenewal, the expiration of the policy.

15 (b) If a reimbursement insurance policy by which a provider is satisfying this
16 subsection is terminated, cancelled, or not renewed for any reason, or if the insurer
17 issuing the policy is not in compliance with applicable financial standards, all of the
18 following apply:

19 1. The provider shall immediately notify the commissioner of the termination,
20 cancellation, or nonrenewal of the policy, if applicable.

21 2. The provider shall cease selling service contracts in this state until the
22 provider either files with the commissioner a new reimbursement insurance policy
23 that covers its obligations under service contracts sold in the state and that satisfies
24 the requirements under par. (a) or provides a deposit or irrevocable letter of credit
25 in accordance with sub. (7).

SENATE BILL 492

1 3. If the commissioner so requests, the provider shall file with the
2 commissioner copies of its audited financial statements or financial statements that
3 are certified as accurate by a corporate officer of the provider if the provider does not
4 have audited financial statements.

5 (c) An insurer issuing a reimbursement insurance policy to a provider is
6 considered to have received the premium for that insurance policy upon payment by
7 a consumer of the fee for a service contract issued by the insured provider.

8 (d) The termination or nonrenewal of a provider's reimbursement insurance
9 policy does not reduce the insurer's responsibility with respect to service contracts
10 issued by the provider before the date of the termination or, in the case of
11 nonrenewal, the expiration of the policy.

12 (e) Nothing in this subsection prevents, or limits the right of, an insurer that
13 issued a reimbursement insurance policy to seek indemnification from or
14 subrogation against a provider if the insurer pays or is obligated to pay the service
15 contract holder any amount that the provider was obligated to pay under the service
16 contract.

17 **(7) ASSURANCE OF PERFORMANCE; DEPOSIT OR IRREVOCABLE LETTER OF CREDIT.** (a)
18 A provider may satisfy sub. (5) by providing security to compensate any service
19 contract holder who sustains a loss due to the failure of the provider to perform its
20 obligations under a service contract as a result of insolvency or other financial
21 impairment. The commissioner shall approve the amount and form of the security.

22 (b) The security under this subsection shall be in one or a combination of the
23 following forms:

24 1. A deposit of securities under s. 601.13 for the benefit of Wisconsin consumers.

1 2. An irrevocable letter of credit that is from a bank properly chartered by the
2 federal government or any state, that is acceptable to the commissioner, and that is
3 issued for a term of at least 5 years with provision for renewal 2 years before
4 termination. The letter of credit shall be payable to the commissioner or the
5 commissioner's designee for the benefit of Wisconsin consumers upon a finding by
6 the commissioner that a provider is insolvent or financially impaired and unable to
7 meet its obligations under service contracts issued in Wisconsin. The provider shall
8 notify the commissioner in writing of the nonrenewal of a letter of credit within 30
9 days after receiving a notice of nonrenewal. No provider whose letter of credit has
10 been nonrenewed may offer or sell or renew any service contract on or after the date
11 of nonrenewal until the provider obtains security satisfying the requirements of this
12 subsection or satisfies the requirements of sub. (6).

13 (c) The security under this subsection shall be not less than \$50,000 plus one
14 of the following:

15 1. If the provider has not appointed an administrator under s. 616.54 (1), 15
16 percent of the provider fees collected from service contract holders for all unexpired
17 service contracts in force in Wisconsin on January 1 of each year.

18 2. If the provider has appointed an administrator under s. 616.54 (1), 22.5
19 percent of the provider fees collected from service contract holders for all unexpired
20 service contracts in Wisconsin on January 1 of each year.

21 (d) The security under this subsection shall continue until released by the
22 commissioner pursuant to a finding that it is not necessary for the reasonable
23 protection of Wisconsin consumers.

24 **(8) FINANCIAL STATEMENTS.** A provider using a deposit or irrevocable letter of
25 credit as specified in sub. (7) to satisfy sub. (5) shall, by the end of the 5th month

SENATE BILL 492

1 following the end of each fiscal year of the provider, submit financial statements for
2 the fiscal year to the commissioner that are prepared on an accrual basis in
3 accordance with generally accepted accounting principles and that are audited by an
4 independent certified public accountant.

5 **(9) COMMISSIONER LIMITATION.** Except for the requirements specified in sub. (5),
6 no other financial security requirements shall be required by the commissioner for
7 providers.

8 **(10) PAYMENT OF CLAIMS.** A provider shall be subject to and shall pay claims
9 under a service contract in accordance with s. 628.46 (1) and (2).

10 **(11) SERVICE CONTRACT SELLERS.** A service contract seller is not subject to
11 licensure or registration under this subchapter.

12 **616.56 Form filing and required disclosures. (1)** A service contract may
13 not be marketed, sold, offered for sale, issued, made, proposed to be made, or

16 commissioner. Service contracts shall be filed in the final printed format or typed
17 facsimile exactly as they will be offered for issuance or delivery in this state.

18 **(2)** Service contracts shall be written, printed, or typed in commonly
19 understood language, shall be legible, appropriately divided, and captioned by their
20 various sections, and their various sections shall be presented in a meaningful
21 sequence. Contract filings shall be accompanied by a certificate of compliance and
22 readability signed by an officer of the provider or administrator submitting the
23 contract for review and approval.

SENATE BILL 492

1 **(3)** Service contracts shall contain the following statement printed in bold and
2 capitalized type: “THIS CONTRACT IS SUBJECT TO LIMITED REGULATION BY
3 THE OFFICE OF THE COMMISSIONER OF INSURANCE.”

4 **(4)** Service contracts insured under a reimbursement insurance policy
5 pursuant to s. 616.54 (6) shall contain a statement in substantially the following
6 form: “Obligations of the provider under this service contract are insured under a
7 service contract reimbursement insurance policy.” The service contract shall state
8 the name and address of the insurer; state that if a provider does not provide, or
9 reimburse or pay for, a service that is covered under a service contract within 60 days
10 after a contract holder provides proof of loss, or if the provider becomes insolvent or
11 otherwise financially impaired, the contract holder may file a claim directly with the
12 service contract reimbursement insurer for reimbursement, payment, or provision
13 of the service; and state the instructions on how to file a claim.

14 **(5)** Service contracts not insured under a reimbursement insurance policy

9 transferability of the service contract.

10 **(12)** Service contracts shall state the terms, restrictions, or conditions
11 governing cancellation of the service contract by the provider prior to the termination
12 or expiration date of the service contract. A service contract may be cancelled by a
13 provider only for nonpayment of the provider fee, material misrepresentation by the
14 contract holder to the provider or administrator, or substantial breach of duties by
15 the service contract holder relating to the covered product or its use. A provider shall
16 comply with all of following when cancelling a service contract:

17 (a) The provider shall mail a written notice to the service contract holder at the
18 last-known address of the service contract holder contained in the records of the
19 provider at least 5 days prior to cancellation by the provider.

20 (b) The notice under par. (a) shall state the effective date of the cancellation and
21 the reason for the cancellation.

22 (c) If a service contract is cancelled by the provider for a reason other than
23 nonpayment of the provider fee, the provider shall refund to the service contract
24 holder 100 percent of the unearned pro rata provider fee, less any claims paid.

SENATE BILL 492

1 (d) A provider may charge a reasonable administrative fee for cancellation,
2 which may not exceed 10 percent of the provider fee.

3 **(13)** Service contracts shall set forth all of the obligations and duties of the
4 service contract holder, including the duty to protect against any further damage and
5 any requirement to follow the owner's manual.

6 **(14)** Service contracts shall state whether or not the service contract provides
7 for or excludes consequential damages or preexisting conditions. Service contracts
8 may, but are not required to, cover damage resulting from rust, corrosion, or damage
9 caused by a noncovered part or system.

10 **(15)** Service contracts shall require the provider to permit the service contract
11 holder to return the service contract within 20 days of the date the service contract
12 was mailed to the service contract holder, or within 10 days of delivery if the service
13 contract is delivered to the service contract holder at the time of sale, or within a
14 longer period permitted under the service contract. Upon return of the service
15 contract to the provider within the applicable period, if no claim has been made under
16 the service contract prior to its return to the provider, the service contract is void and
17 the provider shall refund to the service contract holder, or credit the account of the
18 service contract holder, the full purchase price of the service contract. Unless
19 otherwise stated in a service contract, the right to void a service contract under this
20 paragraph is not transferable and shall apply only to the original service contract
21 purchaser. If a provider does not pay or credit a refund within 45 days after the
22 return of a service contract to the provider, the provider shall pay a 10 percent per
23 month penalty of the refund amount outstanding which the provider shall add to
24 amount of the refund.

SENATE BILL 492

1 **(16)** Service contracts shall provide that, subsequent to the period specified in
2 sub. (15) for voiding a service contract or if a claim has been made under a service
3 contract within such period, a service contract holder may cancel the service contract
4 and the provider shall refund to the service contract holder 100 percent of the
5 unearned pro rata provider fee, less any claims paid. A provider may charge a
6 reasonable administrative fee for the cancellation, which may not exceed 10 percent
7 of the provider fee.

8 **(17)** A service contract shall be subject to s. 631.85.

9 **(18)** In the event of a total loss of property covered by a service contract that
10 is not covered by a replacement of the property pursuant to the terms of the contract,
11 a service contract holder shall be entitled to cancel the service contract and receive
12 a pro rata refund of any unearned provider fee, less any claims paid.

13 **616.58 Prohibited acts. (1)** (a) A provider shall not use in its name used in
14 this state the words “insurance,” “casualty,” “surety,” or “mutual” or any other words
15 descriptive of the insurance, casualty, or surety business; or a name deceptively
16 similar to the name or description of any insurance or surety corporation, or to the
17 name of any other provider. The word “guaranty” or a similar word may be used by
18 a provider.

19 (b) Paragraph (a) does not apply to a provider that was using any language
20 prohibited under par. (a) in its name used in this state prior to the effective date of
21 this paragraph [LRB inserts date].

22 **(2)** (a) No provider, administrator, service contract seller, or provider’s
23 representative may make or cause to be made any communication relating to a
24 service contract, the service contract business, insurance business, any insurer, any
25 administrator, or any provider that contains false or misleading information,

SENATE BILL 492

1 including information that is misleading due to incompleteness. Filing a report and,
2 with intent to deceive a person examining it, making a false entry in a record or
3 intentionally refraining from making a proper entry, are “communications” within
4 the meaning of this paragraph. No provider or administrator may use any business
5 name, slogan, emblem, or related device that is misleading or likely to cause the
6 provider or administrator to be mistaken for another provider or administrator
7 already in business.

8 (b) If an administrator or representative of a provider distributes cards or
9 documents, exhibits a sign, or publishes an advertisement that violates par. (a),
10 having reference to a particular provider that the administrator or representative
11 represents, such violation creates a rebuttable presumption that the violation was
12 also committed by the provider.

13 (3) A person, including a bank, savings and loan association, lending
14 institution, manufacturer, or seller of any product, shall not require the purchase of
15 a service contract as a condition of a loan or a condition for the sale of any property,
16 except that a person buying or selling a home may condition the purchase or sale of
17 the home on the seller’s or buyer’s procurement of a service contract that covers the
18 home.

19 (4) A motor vehicle service contract provider or its representative shall not,
20 directly or indirectly, represent in any manner, whether by written solicitation or
21 telemarketing, a false, deceptive, or misleading statement with respect to any of the
22 following:

23 (a) The provider’s affiliation with a motor vehicle manufacturer.

24 (b) The provider’s possession of information regarding a motor vehicle owner’s
25 current motor vehicle manufacturer’s original equipment warranty.

SENATE BILL 492

2 manufacturer's original equipment warranty.

3 (d) A requirement that a motor vehicle owner purchase a new motor vehicle
4 service contract with the provider in order to maintain coverage under the motor
5 vehicle owner's current motor vehicle service contract or manufacturer's original
6 equipment warranty.

7 **616.60 Record-keeping requirements. (1)** (a) A provider shall keep
8 accurate accounts, books, and records concerning transactions regulated under this
9 subchapter.

10 (b) A provider's accounts, books, and records shall include all of the following:

- 11 1. Copies of each type of service contract sold.
- 12 2. The name and address of each service contract holder that has furnished
13 such information to the provider.
- 14 3. A list of the locations where service contracts are marketed, sold, or offered
15 for sale in this state.
- 16 4. Written claims files that shall contain at least the dates, descriptions, and
17 amounts paid or denied for claims related to the service contracts.
- 18 5. The effective date, expiration date, name of the seller, and provider fee paid
19 for each service contract sold in this state.

20 (c) Except as provided in sub. (2), a provider shall retain all records required
21 to be maintained under this subsection for a service contract for at least one year
22 after the period of coverage specified in the contract has expired.

23 (d) The records required under this subsection may be, but are not required to
24 be, maintained on a computer disk or other record-keeping technology. If the records

SENATE BILL 492

1 are maintained in other than hard copy, the records shall be capable of duplication
2 to electronic copy or legible hard copy at the request of the commissioner.

3 (2) A provider discontinuing business in this state shall maintain its records
4 until it furnishes the commissioner satisfactory proof that it has discharged all
5 obligations to service contract holders in this state.

6 **616.62 Enforcement.** (1) The commissioner may conduct examinations of
7 providers, administrators, service contract sellers, or other persons under ss. 601.43
8 to 601.45 to enforce the provisions of this subchapter and protect service contract
9 holders in this state. Upon request of the commissioner, a provider shall make all
10 accounts, books, and records concerning service contracts sold by or on behalf of the
11 provider available to the commissioner which are necessary to enable the
12 commissioner to reasonably determine compliance with this subchapter.

13 (2) The commissioner may take any action under ss. 601.41 and 601.61 to
14 601.73 that is necessary or appropriate to enforce the provisions of this subchapter
15 and the commissioner's rules and orders and to protect service contract holders in
16 this state. The commissioner may subject a provider to any reporting and replying
17 requirement under s. 601.42.

18 **SECTION 4.** Subchapter II (title) of chapter 616 [precedes 616.71] of the statutes
