

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3906/P1dn
JK:jld:rs

January 25, 2012

Diane,

Please review this draft carefully to ensure that it is consistent with your intent. I included the provisions related to allocating production gross receipts, even though those provisions are still being worked on, so that you could see the general format and placement of those provisions in the statutes.
