Subject: SB 396 sub amendment

Hi Becky,

We would like to request a substitute amendment to SB 396, our legislation on premises ID. Here are the changes we would like in the amendment:

- √ 1. Remove all tax credit language
- √ 2. Transfer funding for one year (second year of the biennium) of \$125,000 from Fund 241 appropriation 781 (tg) to 100 appropriation 801 org 8130 sub org G8 and include a state match of \$125,000 new GPR and create 1.0 FTE position.
- √ 3. Make the bill effective April 1, 2012
- √ 4. Direct DATCP to submit a budget request in their 2013-15 agency budget submission to address future funding needs for the premise registration program.

If you would like to talk to someone at DATCP regarding these changes, please feel free to contact Keeley Moll.

Let me know if you have any questions.

Thanks,
Matt

Telephone conversation with Keeley Mall, Sue Buraker, & Jason ? From DATCP. They do not want to require a match from the private sector, so 95.51 (9) should not be created.

They have \$125,000 ~~from~~ in the working lands fund. That should be transferred to the general fund and the amount of the new appropriation ^{should be} ~~deleted~~ \$250,000.

AN ACT to amend 71.05 (6) (a) 15., 71.21 (4), 71.26 (2) (a) 4., 71.34 (1k) (g), 71.45 (2) (a) 10. and 77.92 (4); and **to create** 20.115 (2) (e), 71.07 (8d), 71.10 (4) (ed), 71.28 (8d), 71.30 (3) (bd), 71.47 (8d), 71.49 (1) (bd) and 95.51 (9) of the statutes; **relating to:** financial assistance for the livestock premises registration program, a tax credit for livestock identification tags and tag-reading equipment, and making an appropriation.

Analysis by the Legislative Reference Bureau

Livestock premises registration

Current law generally requires a person who keeps livestock at a location in this state to register the location with the Department of Agriculture, Trade and Consumer Protection (DATCP). The law authorizes DATCP to create exemptions from the registration requirement by rule. Current law also authorizes DATCP to contract with an agent to administer the livestock premises registration program.

Analysis
Insert ✓

Under this bill, if DATCP contracts with an agent to administer the livestock premises registration program, DATCP must annually provide a grant to the agent for administering the program. The amount of the grant is equal to the amount raised by the agent from private sources for administering the livestock premises registration program, up to the amount appropriated for the grant.

Hi Becky,

Fiscal Bureau took a look at the amendment drafted per DATCP's request and identified an additional change they believe DATCP overlooked. Specifically, LFB believes there needs to be a "notwithstanding" clause to be included in §20.003 para 4, relating to overall GPR spending. If you would like further information on this, you could contact Paul Ferguson at LFB.

Would you like me to return the amendment jacket so that you could just amend the sub amendment we have or would it be easier just to draft a new sub amendment?

Thanks,
Matt Wuebke

Hi Becky,

My apologies, but we have another change to our sub amendment to SB 336. We would like the amendment to take the full \$250K from the farmland preservation fees and no GPR. I will send the jacketed amendment back to you. This is not a rush, but if we could get it by next Monday that would be great.

Thanks,
Matt

Regen

\$250,000

1 AN ACT to create 20.115 (2) (e) of the statutes; relating to: the livestock premises
2 registration program and making an appropriation.

Analysis by the Legislative Reference Bureau

Current law generally requires a person who keeps livestock at a location in this state to register the location with the Department of Agriculture, Trade and Consumer Protection (DATCP). The law authorizes DATCP to create exemptions from the registration requirement by rule. Current law also authorizes DATCP to contract with an agent to administer the livestock premises registration program.
