Analysis by the Legislative Reference Bureau

Under current law, with limited exceptions, no person may operate upon a highway any vehicle or combination of vehicles that exceeds certain statutory weight limits unless the person obtains a permit issued by the Department of Transportation or a local authority. Under one exception, certain vehicles or vehicle combinations transporting agricultural crops may, without a permit, exceed weight limits by not more than 15 percent from September 1 to December 31 of each year.

This substitute amendment provides an exception similar to the agricultural crop exception. Under this substitute amendment, certain vehicles or vehicle combinations transporting manure to or from a farm may, without a permit, exceed weight limits by not more than 15 percent from September 1 to December 31 of each year.
