Hello Eric,

Can we get a Senate Substitute Amendment drafted for SB 410 to mirror the attached Assembly version?

Thanks.

Subject: Sub

Hi Nick,

Here's the sub we passed on the manure bill. It extends the exemption through December 31, making it parallel with the harvest exemption and allowing farmers more time to spread after the crops are off the fields. It also creates the exemption in it's own section of the statutes to avoid jeopardizing the grandfathered status of the harvest exemption on several sections of federal interstate.

Give me a call with any questions.

- 1 AN ACT *to amend* 348.15 (3) (intro.), 348.19 (2) (a), 348.21 (3) (intro.), 348.21 (3)
- 2 (a) and 348.21 (3) (b) (intro.); and *to create* 348.17 (6) of the statutes; **relating**
- 3 **to:** seasonal weight limits for certain vehicles transporting manure.

Analysis by the Legislative Reference Bureau

Under current law, with limited exceptions, no person may operate upon a highway any vehicle or combination of vehicles that exceeds certain statutory weight limits unless the person obtains a permit issued by the Department of Transportation or a local authority. Under one exception, certain vehicles or vehicle combinations transporting agricultural crops may, without a permit, exceed weight limits by not more than 15 percent from September 1 to December 31 of each year.

This substitute amendment provides an exception similar to the agricultural crop exception. Under this substitute amendment, certain vehicles or vehicle combinations transporting manure to or from a farm may, without a permit, exceed weight limits by not more than 15 percent from September 1 to December 31 of each year.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 348.15 (3) (intro.) of the statutes is amended to read:

2 348.15 (3) (intro.) Subject to any modifications made by a 1st class city under

4 may operate on a class "A" highway any vehicle or combination of vehicles unless the
5 vehicle or combination of vehicles complies with the following weight limitations:

6 **SECTION 2.** 348.17 (6) of the statutes is created to read:

7 348.17 (6) (a) From September 1 to December 31 of each year, no permit shall
8 be required for the transportation of manure to or from a farm in a vehicle or

25 limitations posted as provided in s. 348.17 (1). All material so reloaded or unloaded
