2011 BILL

J

Gen

1 AN ACT *to create* 29.889 (1) (g) and 29.889 (7m) (at) of the statutes; **relating to:**  
2 wildlife damage abatement assistance and claim payments for damage caused  
3 by cougar.

***Analysis by the Legislative Reference Bureau***

Current law authorizes a person who owns, leases, or controls land on which certain wild animals cause damage to crops or livestock (wildlife damage) to apply to the county for wildlife damage claim payments and for wildlife damage abatement assistance (wildlife damage payments). With certain exceptions, the person may receive wildlife damage payments only if the person opens the land for hunting the type of animal that caused the wildlife damage. Wildlife damage for which a person is eligible to receive wildlife damage payments includes wildlife damage caused by deer, bear, and geese.

This bill adds wildlife damage caused by cougar to the type of damage for which a person is eligible to receive wildlife damage payments. The bill also exempts that person from the requirement that the land be open for the hunting of cougar in order to be eligible to receive wildlife damage payments.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

1 SECTION 1. 29.889 (1) (g) of the statutes is created to read:

2 29.889 (1) (g) Cougar.

3 SECTION 2. 29.889 (7m) (at) of the statutes is created to read:

4 29.889 (7m) (at) *Exemption; damage caused by cougar.* Notwithstanding the  
5 requirement that land be open to hunting under par. (a), a person may obtain wildlife  
6 damage abatement assistance or wildlife damage claim payments for wildlife  
7 damage caused by cougar without requiring hunting of cougar on the land on which  
8 the wildlife damage occurred.
