Assumptions Used in Arriving at Fiscal Estimate

District Attorneys did not provide an anticipated fiscal impact should this bill be implemented; however, any potential fiscal impact would appear to be minimal or non-existent. The bill eliminates or alters many of the changes implemented by 2009 Wisconsin Act 28, and also makes changes concerning the prevailing wage law. The bill reduces the number of activities requiring legal action.

Long-Range Fiscal Implications

It appears that implementation of this bill would not have a long-term fiscal impact.
