LRB Number 11-2691/2	Introduction Number	AB-0303	Estimate Type	Original		
Description						
Comprehensive planning and making an appropriation						

## Assumptions Used in Arriving at Fiscal Estimate

There appears to be little fiscal impact on the University or UW-Extension for its role in particular, at least in the near term. There also appears to be little impact on local governments for the near term. However, a general lack of coordination could result in increased inefficiencies in many areas of local government in the future.

**Long-Range Fiscal Implications**
