Assumptions Used in Arriving at Fiscal Estimate

The fiscal impact of Assembly Bill (AB) 332 on the Department of Administration is indeterminate. The requirement that all agencies prepare an economic impact analysis for proposed rules was added to the administrative rules process in 2011 Wisconsin Act 21. DOA has not created any new rules since the effective date of Act 21. Therefore, it is difficult to determine the fiscal impact of the proposed changes to the rulemaking process.

Long-Range Fiscal Implications

Indeterminate.
