Assumptions Used in Arriving at Fiscal Estimate

This bill would make it an unfair method of competition or an unfair trade practice for a contractor or subcontractor to claim a sales and use tax exemption under s. 77.54(50), created under this bill, for an item purchased for other than personal use by the contractor or subcontractor.

As the department already enforces unfair methods of competition and unfair trade practices as they arise on various issues, the department does not anticipate this bill will produce an unmanageable increase in workload.

Long-Range Fiscal Implications
