LRB Number	11-1386/1	Introduction Number	AB-0074	Estimate Type	Original
Description Mephedrone or methylenedioxypravalone and providing a penalty					

Assumptions Used in Arriving at Fiscal Estimate

Under current law there are several prohibitions and penalties regarding the use and possession of certain controlled substances.

This bill prohibits manufacturing, distributing, delivering, or possessing with the intent to distribute or deliver, mephedrone or methylenedioxypravalone with the intent that the substance be consumed by a person.

The bill identifies the criminal penalty provision as a fine not to exceed \$10,000; therefore, since no incarceration or community supervision time is involved, there is no fiscal impact on the Department of Corrections.

A local fiscal impact cannot be estimated.
