Description								
Permitting governmental employers who are not participating employers in the Wisconsin Retirement								
System to be covered in the local government health insurance plan offered by the group insurance board.								

Assumptions Used in Arriving at Fiscal Estimate

This bill would allow local government employers who are not participating employers in the Wisconsin Retirement System to offer Group Insurance Board administered health plans to their employees.

This bill will have no significant fiscal effect on the operations of the Department of Employee Trust Funds.

Long-Range Fiscal Implications
